# Map Your Summer

What were the most important places you visited over the summer holiday? It could be a place you went on holiday, a friend's house or a shop you like! In the space below, draw a map of the places that were important to you over the summer.

Don't worry about using scale on this map; we want you to focus on adding as many places as possible, but be sure to put the places close to your home on the map!
