

# YEAR 9 SCIENCE WORK

Please work through the booklets.

You should spend 3 weeks on each booklet.

Please work through the booklets in order.

Please don't skip ahead to do tasks that you would like. This means that we can all be in roughly the same place!

Use your revision guide to help you as well as the information pack.

Keep an eye on the school facebook page, we will post some useful websites if we can.

- 1-
- 2- Disease
- 3- Genetics
- 4- Forces, magnets and moments
- 5- Cleaning up
